

INSURANCE AND PARTICIPATING NETWORK INFORMATION FOR ROCHESTER OPHTHALMOLOGICAL GROUP

Note: Please refer to your Insurance plan for specific coverage information. An indication that ROG participates with your insurance plan does not mean that all services are covered by your plan.

Some insurance plans partner with a 3rd party administrator to process Vision claims. ROG does not participate with all plans. Please refer to list below or contact your insurance plan directly.

If Insurance is not listed below, ROG does not have a participating provider contract with the plan unless the insurance plan is administered by a participating third party vendor that ROG accepts.
